

English at Trevisker School

At Trevisker, we have an engaging, meaningful and thematic English curriculum with thoughtfully planned speaking, listening, reading and writing opportunities.

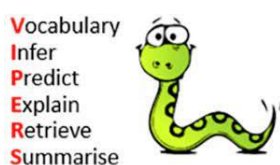

High quality texts with rich, ambitious vocabulary are at the heart of all our teaching and learning. These link to an over-arching theme which promotes high engagement, a love of reading and purposeful, quality writing.

Talk for Writing

Across the school, we use the National Curriculum as a basis for teaching and learning in English. This is supported by the Read Write Inc scheme for Phonics, the Vipers approach to developing reading skills and Talk for Writing and Literacy Shed to support the writing process. Engaging resources such as Spelling Shed and Grammar Bug are also used to enhance the teaching of Spelling, Punctuation and Grammar.

Every opportunity is taken to make connections and ensure high quality speaking, listening, reading and writing experiences right across the curriculum and through exciting experiential opportunities.
